CERTIFICATE

Inna Young

has completed 32 CE hours in this course as a part of 167 hour
Health Care Practitioner training in

Manual Lymphdrainage according to Dr. Vodder

LEVEL 2 – Applied MLD

13th Feb. 2023

16th Feb. 2023

from _____ to _____

The participant has proven that they have mastered the basic and special techniques, as well as the anatomical and physiological fundamentals of Manual Lymph Drainage. The participant is certified to apply the method to patients with a functioning lymph vessel system and in the field of pre- and post-operative and posttraumatic diseases.

Participant has not been trained in treatment of edemas including lymphedema.

This training authorizes participation in a Level 3 course within the next 18 months (as of the issue date) with a teacher authorized by the Dr. Vodder Academy International.

This certificate does not entitle participant to teach MLD
